

Danube Transnational Programme 2014-2020

Job announcement

The **Danube Transnational Programme** (DTP) 2014-2020 is a financing instrument of the European Territorial Cooperation (ETC), better known as Interreg. ETC is one of the goals of the European Union cohesion policy and provides a framework for the implementation of joint actions and policy exchanges between national, regional and local actors from different Partner States. Joint transnational cooperation projects are financed in the fourteen countries of the programme. The Managing Authority and the Joint Secretariat, hosted by the Ministry of Finance in Hungary, with experienced international staff are covering the thematic, managerial and financial competences related to programme and project management and implementation.

The programme implementation period lasts till 2023.

Terms of employment

The position is based on a work contract under Hungarian law. The contract will be concluded between the recruited candidate and the **Ministry of Finance**, hosting institution of the DTP MA and JS, and will be written in both Hungarian and English.

Salary

The competitive salary will be set according to qualifications, experience and the costs associated with living abroad.

Location

The MA/JS is located in **Budapest, Hungary**, where the employment is expected to take place.

Application and selection procedure

Interested applicants should submit by email to: simone.ene@interreg-danube.eu by the **deadline of 15 January 2021** the following documents:

- **Europass CV** in English
- **Motivation letter** outlining why the applicant wants the job, what special attributes the applicant would bring to the job and what skills, knowledge and experience the applicant has which are transferrable to this position
- **Two references** that may be contacted during the recruitment process

These documents will constitute the basis for the initial stage of candidate selection. If successful at this stage, candidates will be asked to be presented at on-line interviews.
